

ACCREDITED PARTNER PROGRAMME

Join the largest post-operative
community of **accredited**
optometrists in the UK

SpaMedica

The SpaMedica logo is enclosed in a white rectangular border. The background of the entire page is a blue-tinted photograph of a medical professional in scrubs and a surgical cap smiling at an elderly patient who is lying in a hospital bed. Another medical professional is visible behind the patient, also smiling. The overall scene is bright and positive, suggesting a caring medical environment.

SpaMedica

ACCREDITED PARTNER PROGRAMME

Our Cataract Post-op Accredited Partner Programme enables SpaMedica to work collaboratively with community optometrists.

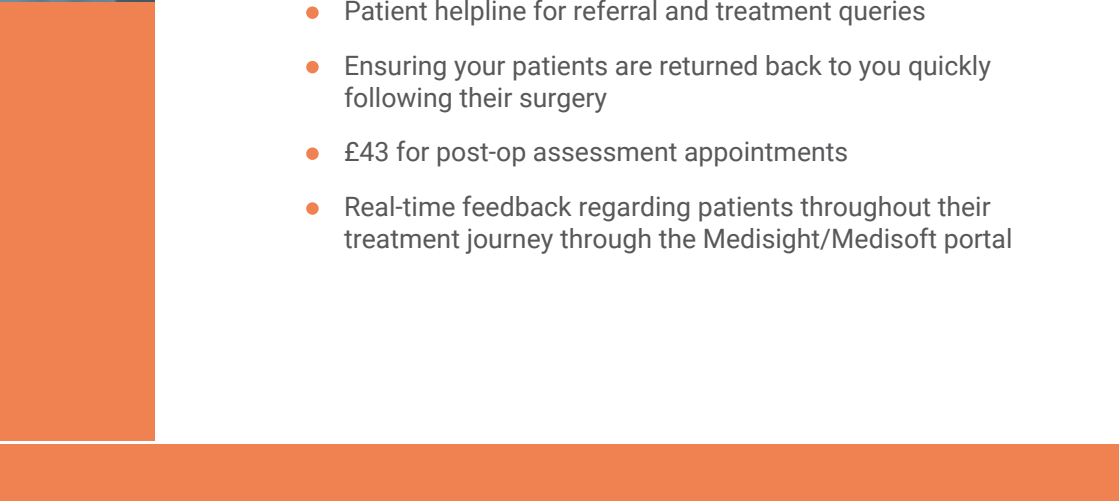

A key part of our cataract service is being able to offer our patients the opportunity to have their cataract post-operative assessment at their accredited optician's practice.

Our accreditation evenings typically run from 6pm - 9pm. The evening includes a tour of our hospital, presentations from our specialists and a multiple-choice test. You will be accredited on the evening and receive one CET point for attending.

We also offer on-line webinar accreditation training.

Following your attendance, a member of our team will contact you to establish how we can further support you and your patients going forward.

WHY JOIN?

- Short waiting times for NHS patients
 - Dedicated experts in the SpaMedica team supporting you with ophthalmic queries
 - Patient helpline for referral and treatment queries
 - Ensuring your patients are returned back to you quickly following their surgery
 - £43 for post-op assessment appointments
 - Real-time feedback regarding patients throughout their treatment journey through the Medisight/Medisoft portal
- 

The SpaMedica logo is enclosed in a thin black rectangular border. The text 'SpaMedica' is written in a bold, black, sans-serif font. The 'i' in 'Medica' has a small star above it.
